1. Was this project completed to your satisfaction?

Yes/No

2. Please provide reasons for your satisfaction or dissatisfaction with this project

The project is delivered in time. The system interface is easy to use and easy to train our staff to use. Project manager has guide us on the usage and advantages of using this system to our organization benefits.

3. Please provide suggestions on how our organization could improve its project delivery capability in the future

Project initially has incompatibilities with our existing network system. COLLEGE AI inc. needs to check with us the compatibility first beforehand before delivering the system. Due to that issue, some duration extension has to be made.
